

Reserve the sailboat for the exclusive use of your group
Sailing to the islets in the bay of Robert
Small group (max 9) - a personalized sailing cruise
From 500€ (* catering not included)

A full day from 9am-5pm :

An exceptional sailing day allows you to discover: the magic of sailing, a relaxing swim in **shallow turquoise water**, the wonders of the underwater world, and also the pleasure of stand-up paddle monitored by your friendly skipper.

The sailboat:

Dénébola is a **spacious and comfortable** small sailboat perfect for secured navigation.

What you will see:

The beautiful **bay of Robert** offers calm and protected sailing. The scenery is magnificent with numerous **sheltered islets** and **crystal clear water** over a white sand bottom. (10 islets et 3 different bays)

It's up to you to choose your own program.

Nautical activities: (optional - please reserve in advance)

Discover colorful reef fish, starfish, sea cucumbers...during your underwater exploration (with or without scuba equipment). Try stand-up paddle (relatively easy for all ages) witch permits a unique scenic view: don't be shy.

Lunch: ashore on one of the islets or at anchor:

Bring your own **picnic** or choose from options which include drinks and set lunches.

(If you are bringing a picnic would you like to invite your skipper to share your table?)

Take a look at the « Octopus:

On board you can have a look at informative (illustrated) card detailing 80 marine species found in Martinique.
